Roger LeRoy Miller has served on the faculty of several respected universities, including the University of Washington, Clemson University, and the University of Miami School of Law. As a professor, he has taught intellectual property law and entertainment law, among other subjects. A widely published and respected author, his work has appeared in the Insurance Counsel Journal, Defense Research, California Trial Lawyers Journal, Antitrust Bulletin, Wisconsin Law Review, and Connecticut Law Review. He has authored or co-authored numerous authoritative textbooks on law, including BUSINESS LAW: TEXT & CASES; BUSINESS LAW TODAY: TEXT & SUMMARIZED CASES; and THE LEGAL ENVIRONMENT TODAY. Professor Miller completed his studies at the University of California at Berkeley and University of Chicago. Frank B. Cross is the Herbert D. Kelleher Centennial Professor of Business Law at The University of Texas at Austin Law School, where his research centers on judicial decision-making, the economics of law and litigation, and traditional policy and doctrinal issues in administrative law. He has written several books as well as pieces for the YALE LAW JOURNAL, COLUMBIA LAW REVIEW, UNIVERSITY OF CHICAGO LAW

REVIEW, NEW YORK UNIVERSITY LAW REVIEW, TEXAS LAW REVIEW, VIRGINIA LAW REVIEW, CORNELL LAW REVIEW, GEORGETOWN LAW JOURNAL, NORTHWESTERN LAW REVIEW, and UCLA LAW REVIEW. A former president of the Academy of Legal Studies in Business, Professor Cross received his B.A. from the University of Kansas and J.D. from Harvard Law School.

Was not much help

I'm sure that professors across different schools teach and examine differently. However, as for me, this guide was THE one thing that have gotten me all the As I've received on exams. The practice tests are somewhat on an intermediate level so once you're feeling comfortable with them, the real exam becomes relatively easier. Get this study guide, if you must take Business Law course.

This is a wonderful addition to the full edition of the text book. It breaks everything down in a very digestible outline format, and makes reviewing the material before class or a test quick and painless. I take brief notes in mine throughout class and end up w/ a comprehensive study guide that is unbeatable.

I used this study guide more than the actual textbook itself. I did read the text, but this guide definitely helped to clarify and focus on what exactly I needed to know, while the text book included many irrelevant topics, and dragged on repetitively. I would definitely recommend this study guide if you are taking a B-Law class with the adjoining text book, it will be a life saver, a time saver, and a grade saver.

I'm using this edition even though I have the newer book and this is still super helpful! Love how many problems for practice there are and how it gives you simple, quick summaries of everything. Love it!

Purchased this gem for a course that used the thick black book (tbb) as the main source of learning material. The tbb was clear and well written however this study guide (SG) condensed down the core material in the tbb to about a third the space and in outline form! This SG was not mentioned by the instructor however when I saw it was available inside the cover of the tbb and reasonably priced I thought why not purchase it on ? Due to compressed nature of this course this product proved

invaluable. While other students without the SG first had to condense down the tbb I was already one step ahead and had the condensed version already in front of me to start my study. Also the True/False, multiple choice and short answer questions at the end of each chapter helped learn concepts I had difficulty with and focus my study. A great find!

Good

This study guide works great. The summaries of the chapter are wonderful. The only thing I didn't like was the questions at the end of each chapter. They didn't help my studying at all.
