A charming, endearing book. Written as a children's book, but you will want to keep it for yourself.

The story and illustrations are endearing. It is a simple story that allows the reader to distinguish between right and wrong, and selfishness and compassion. This particular issue is a fold out book, allowing the reader to look inside three separate homes that are represented in the story. Don't miss purchasing this book for your personal library, children will love it!

Love this book.....such a gentle loving story....

This should not be advertised as a dollhouse anything...three pages fold out to show insides of a house, that is NOT a dollhouse foldout, in my opinion. While the story is cute, it is misrepresented as a dollhouse foldout. It should just be called a book.

I'm very satisfied with this purchase! At the beginning I was skeptical about buying a used product. Fortunately, I was not disappointed, thanks to the seller!

This was one of my favorite books as a child and I love reading it with my daughter now. So endearing!

I bought this book for my now 12 year old daughter at Christmas about 8 or 9 years ago and it was always her first choice every night at bedtime. She and I knew it by heart. I still read it to my 8 year old son. (he loves it too) It is a sweet story with an underlying good moral. The illustrations are wonderful, your child won't let you turn the page because they want to see every nook and cranny of the fold out (not pop-ups which rip) houses. The detail is so interesting without being distracting for a child. I have fond memories of this book. Any child would find it interesting. It is a simple and enchanting book.

The Cottage at the End of the Lane by Elaine Mills is hands down my daughter's favorite childhood book. And there were so many she loved! It is a sweet story that demonstrates the art of giving and kindness (as well as those who don't show those qualities), as the central character seeks a home. The artwork is endearing. I have looked for this book in stores for years and would love for it to be re-published so I could stock up for gifts.
