Legal Research Guide: Patterns And Practice, (2015)

Synopsis

Legal Research Guide: Patterns and Practice has been popular with both law students, attorneys, and other researchers. The new edition continues its rich tradition and leader as a practical guide to the research process and the checklist approach. This Seventh Edition, explains the interrelationship of manual and electronic research. Each method has its advantages and disadvantages. To do legal research accurately, quickly, and efficiently, the researcher must have a basic understanding of each method. Each is an important component and is best suited to certain types of information. Even with advances in electronic research, the authors believe that it is important to understand the manual research process and that some research can still be done more efficiently or completely through manual research due to the time and substance restrictions in databases. The eBook versions of this title feature links to Lexis Advance for further legal research options.

Book Information

File Size: 482 KB

Print Length: 220 pages

Publisher: LexisNexis; 7 edition (August 12, 2015)

Publication Date: August 12, 2015

Sold by:Â Digital Services LLC

Language: English

ASIN: B013XC0830

Text-to-Speech: Enabled

X-Ray: Not Enabled
