Roses For British Columbia

Synopsis

Be sure to add this practical and informative guide to your gardening book collection. The book features 144 recommended roses for the province. Brad Jalbert, a leading western Canadian expert in the hybridization of miniature roses, has joined with garden writer Laura Peters to craft a common-sense resource that covers the most important information concerning each of the recommended varieties, chose specifically for British Columbia's climate.

Customer Reviews

BRAD JALBERT is one of the leading hybridizers of miniature roses and has introduced over 20 new varieties so far. Brad owns Select Roses of Langley, BC, western Canada's largest grower of miniature roses, located on the farm he's lived on since he was a boy. Brad talks to garden clubs and horticulture societies across Canada about growing garden roses. LAURA PETERS is a certified Master Gardener with 12 gardening books to her credit. She has gained valuable experience in every aspect of the horticultural industry in a career that has spanned more than 16 years. Laura especially enjoys sharing her practical knowledge of organic gardening, plant varieties and gardening products with fellow gardeners.

Excellent resource and appropriate for anyone living in British Columbia, especially the interior that are attempting to grow roses and have difficulty with which varieties do best and possible local pest and plant issues. Written by someone who knows about specialized growing areas of British Columbia.

A great book with no nonsense guidelines about roses. Simple instructions with illustrations. Anyone can be a great rose keeper with this book. Wish it was as specific for other provinces. Great gift for the gardener.
