Easy to follow directions with pictures when needed

Great variety of projects. Basic, simple format and instructions.

I enjoyed the book, but would of liked to have seen more ways to see how it was done.

Nice patterns and not too difficult to read

Looks like an awesome book so far. Haven't made anything yet. Love it that I can D/L to my PC.

Thank you

I chose to give this book a 5 star rating because it's a great book. It has beautiful crochet patterns in it. Some are quick and easy and some are more challenging. It is well worth the price.

Simple designs. Easy patterns . Easy read and cute ideas what more could you want for any beginner. Wish this was around when I started crocheting
