Napkin Folds: Beautifully Styled Napkins For Every Occasion

Synopsis

As table decoration comes back into fashion so too does the traditional art of napkin folding. The authors show how to enhance the simplest of settings with 30 techniques that range from simple fans to a folded sailboat. '

Customer Reviews

This book is very attractive. It has good ideas and initially would have given it a 5. However after actually trying most of the folds in the book, I found the actual instructions were not always clear.

It looks as described but unfortunately, I haven't had the time or made the time to experiment with it yet.
