ILENE STERNBERG is a resident of West Chester, Pennsylvania and writes a bi-weekly garden column for The News Journal in Wilmington, Delaware. She is a frequent contributor to The Washington Post, Brooklyn Botanic Garden Plants & Gardens News; The Green Scene, Magazine of the Pennsylvania Horticultural Society; Fine Gardening; as well as People, Places, and Plants. ALISON BECK has been gardening since she was a child. Author of over two dozen books on gardening, she showcases her talent for practical advice and her passion for gardening. Alison has a diploma in horticultural technology as well as a degree in creative writing.

Very clear and informative for a new or experienced gardener who is either new to Pennsylvania gardening which we are.

i never seem to have enough garden guides. each one has something different, some additional piece of information that i find interesting. ...this is a good guide if your funds are unlimited.

Shoulda known. You can't just pick a whole state and say "these are your plants". Didn't learn anything from the book that I couldn't learn at the local nursery and just driving around looking in other people's yards. A little better than nothing, after all, if you still want to think about gardening in the evening, whacha gonna do? This book is fine for affirming what you already thought.
