My husband and I found this book at a souvenir shop when we went to Savannah GA. We couldn't even get past the first page we were laughing so hard. He's from South Carolina and I'm from North Carolina, so we "get it!" I bought 2 copies on the spot. I was so pleased to find the book here on I got one for my girlfriend next door. I put one in my husband's Christmas stocking. I can tell when he's reading from the book because I can hear him cracking up laughing from his man cave! He laughs so hard at the sentences made from the words in the book that he can't finish a whole page!!! I get a kick out of hearing him laugh like that. Life can be tough sometimes, so when I hear him laughing like that, life is good!!!

Bought as a gift for friends retiring to the south. Good humor and a few laughs

great bathroom material, fun to read the sentences aloud.

A hilarious book to give to yankees who are venturing south

I had this book when I was a kid and loved it. We recently moved to Charlotte where I expect it will

come in handy. Product arrived quickly and intact

Miss Steve Mitchell, who wrote the book and is no longer with us. Funny and sometimes too real!

Had this book before and lost it. I was happy to find it again. It is written in a delightful manner.

Maybe even tongue-in-cheek. As someone who did grow up in the deep south, I understood most words even without the explanation.

I was given this from a boss who came from Memphis Tn, 30 years go, she said it would help me understand her when she got excited. I bought this book for my grandson who graduated from college and new job is Tn. to help him understand some of the locals.
