Lucky Spool is an illustrated book publisher within the crafting space located in Colorado. The Publisher, Susanne Woods, sits on the board of the National Modern Quilt Guild and has been an active part of the book publishing and quilting industries for over 10 years.

This is such a fun book :) I have only done the first 3 challenges/ weeks but am liking the format and different challenges that make it easy to completed every week. The only complaint is that the directions to make the supply band were a little off but it was super easy to fix it so wasn't too bad and I'm still giving it 5 stars.

It as pictured. Very nice.

The book is great for someone who wants to journal or write about projects. That's not my cup of tea so I returned the book.

Clearly, this is a book of process over time! I have done my initial activity, but lots more to do and learn over time! There are challenges for me(looked through the book) and I will persist through each! Should be fun!
