Aspen Handbook For Legal Writers: A Practical Reference [Connected Casebook] (Aspen Coursebook)

Synopsis

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. The Aspen Handbook for Legal Writers, a brief and accessible reference on mechanics and style, is a useful companion to any legal writing text. Targeted at the needs of legal writers, the text initially focuses on the rules of grammar, style, and usage with plenty of examples. A section on Legal Documents offers strategies to improve legal writing, with sample letters, memorandum, case brief, trial brief, and appellate brief. Numerous, helpful examples showcase both good and bad writing. This practical approach helps law students with common problems and dilemmas: substitutions for legalese, lists of commonly used legal idioms, spelling tips, advice on organization and the legal writing process, proofreading, and document design. Modeled after handbooks used at the undergraduate level, the Handbook features a small trim size, comb-binding, clear organization, two-color printing, and helpful design elements to highlight important information. Distinctive features designed with the student in mind include Websites for each topic addressed, Tips and Strategies to highlight key topics such as breaking writers' blocks, meeting deadlines, communicating by email and text messaging, ethics notes, and Challenge Exercises in each chapter to test mastery. A brief Table of Contents on the inside front cover and Style Sheet on the inside back cover offer quick reference. Key Features: For all writers, pragmatic and useful information is given on beginning the writing process, tips to meet deadlines, common legal conventions or traditions, common blunders made by legal writers, and proofreading and document design. The fundamental features of legal writing (accuracy, readability, clarity, and brevity) are covered in depth. Quiz or Challenge questions test readers' comprehension of the material and showcase methods to improve writing. Sample documents are provided for the most common types of legal writings, including: Sample demand letter

CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors

will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.

Best Sellers Rank: #146,877 in Books (See Top 100 in Books) #54 in Books > Law > Legal Education > Legal Writing #1726 in Books > Textbooks > Law

Customer Reviews

The Aspen Handbook is an outstanding reference text for law students who need a refresher on basic writing skills in a real-world legal context. As a law professor who teaches legal reasoning, analysis, and writing, I have required this textbook each year since it was initially published. One of its most attractive features is the sample memos and briefs in the back of the book, which offer helpful examples of the specialized formats lawyers use in practice. At the beginning of each chapter, the author includes website links to interactive exercises for particular writing challenges. The book also includes "challenge" questions for additional practice. The book is published in a convenient, looseleaf format. Each chapter is just a few pages long and tackles a relatively narrow writing issue. As I review first-year law student writing and diagnose distinct writing idiosyncracies, I routinely recommend specific chapters for students to brush up on their writing skills. As I tell my students, writing well is a lifelong learning exercise! This helpful, straightforward book is an excellent resource for law students, who soon learn that excellent legal writing is an essential skill for all successful lawyers.

The only good thing I can say about this book is that it offers countless examples of what good writers shouldn't do. Did this book have an editor? It recites established rules -- e.g., "don't use

unnecessary words" -- and then proceeds to violate them right and left. It contains rampant verbosity, misplaced modifiers, "creative" abuse of punctuation, comically bungled phrases, a grade-schooler's command of traditional sentence formation, and more! Anything you can think of to screw up a phrase, sentence or paragraph, this book has it. One needn't be a grammatical prude to take offense at its mauling of our language. This from someone holding herself out as a writer? Did she dictate this thing and not bother to proofread it? I'm stunned by its lameness. And Aspen is a highly reputable publisher -- go figure. On top of everything else, this book has been RE-released. Have Aspen's top people even glanced at it? I've read a number of books in this field, and any one of them would be better than this. If you're really interested in improving your writing, go with something -- anything -- by Bryan Garner. Or, if you're shooting for something simpler, get a secretary's guide. Something you select at random will surely be better.

If you want a good book get this one it has everything in it you every what in a book about learning. I used it all the time for all my class at college.
