Eternity In Death: In Death, Book 24.5

Synopsis

When club-hopping bad girl Tiara Kent is found dead in her plush Manhattan apartment, the killing has all the earmarks of a vampire attack. The ever-practical Lieutenant Eve Dallas has to deal with superstitious cops carrying garlic and stakes, as well as the ever-hysterical press. None of the wealthy young victimâ€™s friends seem to know much about the Dark Prince she has been secretly seeing. The chase to stop him before he kills again will lead Eve and her team into areas of the city that not even the most intrepid cop wants to visit, and into the very heart of darkness. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Another great read by JD Robb

great

it was ok

Would recommend any J.D. Robb book to someone looking for a book on tape. The reader, Susan Erikson, is amazing and makes all of the J.D. Robb books come to life, which makes me keep coming back for more. You can get them cheap on Amazon and b/c my library doesn't carry all of them, I have started purchasing them instead. They are so good that I circle back and re-'listen' to them

over again. Received in excellent condition.

I love JDRobb stories!

Enjoy this series.

i always enjoy jd robbs books, with its realism as well as a touch of the fantasy. it is fast paced and well written to captivate the reader and makes it very hard to put the book down, always wanting to know what happens next

Brilliant book as J.D. Robb's always are. Futuristic, fast paced and always thrilling. The interplay of Eve Dallas and her husband adds spice to the police work and all the characters are brilliant.
