Customer Reviews

Published by Wildfowl Carving Magazine, the only magazine for bird carvers. Within the pages of this quarterly publication readers find start-to-finish projects, beautiful photographs of finished carvings, and informative articles on a variety of topics, from how to design an effective carving to how to safely ship your work. Find out more at their website: www.wildfowl-carving.com.

It has helped to show me how they get this symmetrical pattern to flow through the duck carving at the paint stage. I cant say I agree with what many of them do with those perfect rows of feathers. I just do not see it but it is highly accepted and done by many World Classs Carvers. Who are often Wild Life Bioligests. Good reference.
