Customer Reviews

I think this is a great recipe book as a cookbook for air fryer device more than 100 recipes from a wide variety of ingredients including meat, fish, appetizers, vegetables, and desserts. This book also has some delicious side dishes that can easily convince you to say such a great recipe. Only low point of this book is the absence of pictures. I have prepared some of the recipes from this book and has been loved by all including me ã ã ã%.

This book is very good and it contains a lot of easy recipes that wont take too much of our time while doing it. This book is perfect for those people who are looking for a good air fryer cookbook and easy recipes. This book is very well written by the author and i really appreciate it. And i highly recommend this book to all of you guys and i personally tried doing some of this recipes and it was awesome.

A Great book!! I think this is an awesome formula book as a cookbook for air fryer gadget more than 100 formulas from a wide assortment of fixings including meat, angle, starters, vegetables, and pastries. This book likewise has some flavorful side dishes that can without much of a stretch persuade you to state such an extraordinary formula. This formulas are truly great. Presently i have some new arrangement of sustenance to acquaint with my dinner design and flavor up my eating regimen.

Great

This book give everything about air fryer formulas and open fixings, formulas, and clear guidelines. It has significantly more formulas, more fun in the kitchen! Put your air fryer to great use with some convenient and delightful formulas from this book. I won't be searching for some other air fryer cookbook now that I discovered this one. I exceedingly suggest it.

I've just bought an air fryer online and received it a few days ago, that's why I bought an Air fryer cookbook for me to be able to use it. I've tried a handful of recipes and it turn out so well. The recipes that I've tried has intense flavor that really suits my taste. I will highly recommend this to anybody who has an air fryer in their homes.

This is a great book . It has even more recipes, more fun in the kitchen! Put your air fryer to good

use with some handy and delicious recipes from this book. I won't be looking for any other air fryer cookbook now that I found this one. Highly recommended .

I'm learning how to use the air fryer. This book is helping so much, both instructions and recipes.
