Applying AutoCAD® 2013

Synopsis

Applying AutoCAD® 2013 presents each feature of the AutoCAD® 2013 software in a logical, sequential format by introducing new features along with continued enhancements to existing capabilities. It offers step-by-step exercises, examples, illustrations, problems, and activities that make it easy to use and versatile for almost any style of teaching and learning. The student will build skills as they read about and apply techniques, solve problems, and practice computer-aided drafting and design.
