[Juliet Thompson] had an artists eye and a writers pen, and thus, better perhaps than any, she was able to evoke those so often irretrievable days and hours. -- Marzieh Gail

For a Baha'i wanting to purchase this intimate diary of one of the early believers, you will be enchanted. While I was reading it, I felt as though I was actually feeling some of the nearness to Abd'ul'-Baha' that Juliet had experienced for so much of the time she was with Him. I bought an additional copy to give to another friend and I have already re-read most of it a second time.I highly recommend.

Changed my life for the better. I am so glad that I read it! I love the Baha'i Faith and thank God that I am a Baha'i, but you do not have to be a Baha'i to enjoy this book.

it was very touching for me :-) it is a love story, so if you like more scientific books it is not for you. but it is a journal and written in a way you think you are there.loved the stories!

Would highly recommend this book. Honest, and accurate historical account written with Faith, Knowledge and emotion.Brilliant, enjoyable, memorable, real life true stories of AbdulBaha, are

heart warming.
