I can now read through the Book of Revelations and find my way using the symbols and keys explained by the kindly and cogent author. Thank you, Mr Beebe, for a job well done. You have tied together many key concepts from the old and new testaments and related them to the Muslim and Bahai revelations. The style is both humble and learned. The tables are useful for summarizing key ideas. If you want to delve deeply into the Book of revelations, then this will be useful.

Superb book that will never be out of date. Beebe takes a step-by-step approach, easily understandable, that presents the Baha'i perspective on the Book of Revelation.
