• “Did you hear the one about the hitchhiker who never got anywhere? Heâ€™d get up early to avoid traffic.” --Chuck Welch, Houston, TX

• “When my husband was a home builder, his thumb ended up on the business end of a sledgehammer, and our three-year-old daughter, Kiana, was eager to tell the entire world. When her caregiver asked how the accident had happened, Kiana shook her head sadly and said, ‘You know, sometimes at work, my daddy just gets hammered.’” --Stasia Uhlmann, Rocky Mountain House, Canada

• “After one of my students acted up, I took him to our school psychiatrist, who asked if he had ADHD. ‘No,’ said the boy. ‘I just have a normal TV.’” --Matthew Hughes, Fort Collins, CO

• “I’ve been told that when you meet the right person, you know immediately. How come when you meet the wrong person, it takes a year and a half?” --Comedian Phil Hanley

Good book if you do not have any other humor books to reference. Otherwise this can be a rehash of jokes that have been used for the past 20 years. I personally got about 5-6 new stories/jokes to use in my presentations.

I love the whole series of laughter books from Readers Digest. A few years ago I bought them for my husband. He didn't read them then. I did. And now he has. We both re-read them and enjoy them every time. Someone borrowed them and did not return them and I just bought them again.

I LOVE reading the "laughter" columns in The Readers Digest so I was delighted when my husband bought this for me! LOL! You'd be laughing too if you read this. It's worth every mirthful penny!

Jokes are kinda corny. Brought it to work to ease our stress level & makes us laugh but not many of us are laughing :(

This is a good book if one needs cheering up as I did while in chemo.

these are so funny to read, i always love joke books

Many well thought out Laughs contained inside these pages!

Gave this book to my father for Christmas as he's a long time Reader's Digest fan. He started reading it immediately which meant he was periodically laughing to himself during the rest of the present opening and it was hard to get him to open anything else. So...it must have been pretty good.
